****Forest Park Only** Swim Test**

Forest Park campers will go to the Forest Park Aquatic Center every Friday afternoon for their water activity. Campers will need to pass a basic swimming ability test before they can swim in the lap pool for the summer. Please select the area your child is allowed to swim or play.

- My child is allowed to take the swim test for permission to swim in the Forest Park lap pool (4-5 feet deep).
- My child will not take the swim test, but instead stay in the kiddie pool (0 inches – 3 feet deep) and splash pad area.
- My child will not take the swim test or swim in the kiddie pool, but instead stay only in the splash pad area.
